On a Personal Note . . .

I grew up in New Salem and attended Holy Family School, now known as St. Mary's Visitation. I have eight brothers & 4 sisters. My husband Al and I have been married for 31 years and we have three children, all of whom are graduates of St. Stanislaus Catholic School. We also have one grandson.

My husband and I like to camp during the summer and travel one week to somewhere warm to relax during the winter.
